david singmaster

*May 29th, 2020 - much of the mathematical content
of the book was later reworked by alexander h frey in
collaboration with singmaster to create their
handbook of cubik math published in 1982*

*singmaster has been described as one of the most
enthusiastic and prolific promoters of the cube 18'*

'handbook of cubik math by alexander h frey jr

**May 5th, 2020 - the handbook of cubic math
unveils the theory involved in rubik s cube s
solution the potential applications of that theory
to other similar puzzles and how the cube
provides a physical example for many concepts
in mathematics where such examples are difficult
to find'**
